Dear Geri:

Now that I have my feet back on the ground, I can write this letter.

First of all, thank you so much for being instrumental in allowing little ol' me to be the honoree for the Tim Whitehouse Award. It came as a great surprise, and brought back many wonderful memories of what took place on the "hallowed" 2<sup>nd</sup> Floor hall.

It was a wonderful lifetime experience. I made a host of friends, and was happy to be an important part of the system. There are times when I wish I was still there, but life moves on.

Again, thank you personally for your kindness, and that of the others on the Committee. I have put the Award in a prominent place, and will think of you all often. Please convey my gratitude to the Bar Association as well.

Your most grateful friend,

  
Bob Spaak
